*	No funds were allocated by the state for this program or to the block grant for this program in 2001-02. Hence, while this program is technically in the block grant, there are no funds in the block grant that can be attributed to the program.			
**	This program is technically in the block grant. The program cannot contribute funds to the block grant, however, because none of the funds allocated for the program are allocated directly to school districts.
